

This easy read is about;

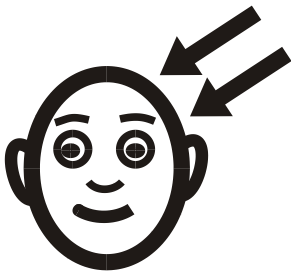

Learning and Libraries

Inspire was started by Nottinghamshire County Council.

Inspire manage some of the council's libraries and cultural service.

Cultural services support people to learn and develop.

This could be through reading, arts or education.

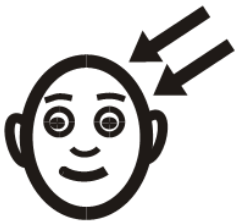

Inspire run services for the Council including:

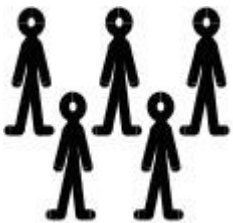

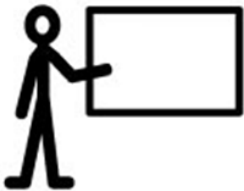

- Libraries
- Arts and Culture

- Inspire Music Teaching and Nottinghamshire Music Education Hub

- Inspire Learning
- Education Library Service.

Become a member

It is free to join Inspire.

Members can get:

- Inspire membership newsletters
- special offers

- money off events

- invitation to the annual general meeting.

People can still use these services without joining Inspire but Inspire is keen for everyone to sign up.

If you need help to use the website below please ask someone who supports you look at it with you.

To find out more about Inspire and become a member, please visit the [Inspire website](#).

The webpage below is not in easy read.

If you need help to use the website please ask someone who supports you.

For more information about Inspire and libraries visit the website.
